[Approved by Governor September 24, 2001. Filed
with Secretary of State September 25, 2001.]

LEGISLATIVE COUNSEL'S DIGEST

SB 912, Chesbro. Employment of minors: agricultural packing plants.

Existing law prescribes limits on the hours of employment of minors, but authorizes the Labor Commissioner to grant an exemption to employers operating agricultural packing plants for employment of minors 16 and 17 years of age for up to 10 hours per nonschool day during peak harvest season. Under existing law, which will be repealed on January 1, 2002, that exemption may additionally authorize employment of a minor who is enrolled in a school in Lake County to be employed for more than 48, but not more than 60, hours a week upon prior written approval by the Lake County Board of Education.

This bill would extend that repeal date to January 1, 2005, and would require the Labor Commissioner, prior to issuing the Lake County exemption or renewing an exemption, to inspect an affected agricultural packing plant. The bill would also require an affected employer, on or before March 1 of each year, as a condition of receiving that exemption or a renewal of that exemption, to file a written report to the Labor Commissioner, as specified. The bill would additionally require the Labor Commissioner to file a written report with the Legislature on or before March 1 of each year describing the general working conditions of minors employed in the agricultural packing industry during the past year, as specified.

The people of the State of California do enact as follows:

SECTION 1. Section 1393.5 of the Labor Code is amended to read:

1393.5. (a) Notwithstanding any other provision of this article or Article 2 (commencing with Section 49110) of Chapter 7 of Part 27 of the Education Code, an exemption issued pursuant to Section 1393 may authorize the employment of a minor, who is enrolled in any public or private school in the County of Lake, for more than 48 hours but not

more than 60 hours in any one week, only upon prior written approval by the Lake County Board of Education.

(b) Each year, the Labor Commissioner, prior to issuing or renewing an exemption under this section, shall inspect the affected agricultural packing plant.

(c) As a condition of receiving an exemption or a renewal of an exemption under this section, an affected employer shall, on or before March 1 of each year, file a written report to the Labor Commissioner that contains the following employment information regarding the employer's prior year's payroll:

(1) The number of minors employed by that employer.

(2) A list of the age and hours worked on a weekly basis of each minor employed.

(d) The Labor Commissioner shall submit a written report to the Legislature, on or before March 1 of each year, that describes the general working conditions of minors employed in the agricultural packing industry during the past year, and that includes all of the following information:

(1) The number of minors employed in the agricultural packing industry.

(2) The number of exemptions issued, renewed, or denied pursuant to this section.

(3) A summary of the inspections conducted by the Labor Commissioner pursuant to this section.

(4) The number of workplace injuries that occurred to minors at agricultural packing plants.

(5) The number of violations of labor laws and regulations that occurred at agricultural packing plants.

(e) This section shall remain in effect only until January 1, 2005, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2005, deletes or extends that date.
